The occupant count shall include all persons inside the place of worship, including attendees and staff.
- Monitor the number of attendees entering the place of worship to ensure compliance with the maximum occupancy level.
- Attendees who are not part of the same immediate household must be seated at least 6 feet apart. Members of the same immediate household are permitted to sit together and less than 6 feet apart.
- If there is fixed seating, rows should be blocked off and kept empty to allow for sufficient distancing between rows.
- All attendees and staff must wear face coverings or masks in accordance with COVID-19 Order No. 31 and the Department of Public Health's Guidance while inside and while entering and exiting places of worship or otherwise participating in in-person services, except where a person is unable to wear a face covering or mask because of a medical or disabling condition.

- Places of worship are encouraged to place tape or other visual distancing markings on seating to delineate 6 foot separations and to post signage indicating the maximum number of persons permitted per row.
- Promote ventilation for enclosed spaces where possible. For example, consider opening windows and doors to allow airflow
- Places of worship are encouraged to take steps to encourage orderly entering and exiting of services in a manner that encourages social distancing

HYGIENE PROTOCOLS

Apply robust hygiene protocols

- Ensure that attendees and employees have access to handwashing facilities, including soap and running water, and allow employees sufficient break time to wash hands, as necessary. Places of worship are also encouraged to make alcohol-based hand sanitizers with at least 60% alcohol available, if possible.

- Places of worship running food pantries or other prepackage food distribution may continue to do so.

- If a place of worship learns that an attendee or employee or other worker has tested positive for COVID-19, it shall notify the local Board of Health (LBOH) in the city or town where the place of worship is located and assist the LBOH as reasonably requested to trace likely contacts and advise contacts to isolate and self-quarantine.

Consider setting up a no-touch method to collect contributions, and encouraging contributions through mail or electronic means.
